

AGRICULTURAL PEST CONTROL ADVISER 2020 REGISTRATION INFORMATION

LICENSED PEST CONTROL ADVISER (PCA)

The California Food and Agricultural Code states: "No person shall act, or offer to act, as an Agricultural Pest Control Adviser without first registering with the County Agricultural Commissioner." It further requires that an adviser register first in their "home" county, then other counties of "occupational choice." If you plan to act as a pest control adviser anywhere in California and the address on your card is in Los Angeles County, you must register with us first.

REGISTRATION PROCESS

If Los Angeles County is your home county, **you must register in person**. All other advisers may register by mail or in person at the Agricultural Commissioner/Weights and Measures Office located at 12300 Lower Azusa Road, Arcadia, CA 91006. **'Home County' is determined by the address listed on your PCA card.**

Please provide the following information.

Home County Registration – (In person)

- Your valid 2020 Adviser's Card, or a legible photocopy (front and back).
- \$10.00 Registration Fee.
- Verification on registration card of the location at which you maintain copies of your written recommendations.

Out of County Registration – (By mail and or in person)

- An Agricultural Pest Control Adviser County Registration Form. This form should be obtained from and printed by your home county. Be sure to complete the entire form.
- \$5.00 Registration Fee.
- Verification on registration form of the location at which you maintain copies of your written recommendations.

FEE

Registrations will not be processed if not accompanied by the required fee. A registration fee of **\$10.00 for Home County** and **\$5.00 for Out of County** registrations is required for all Agricultural Pest Control Advisers. **Make check or money order payable to "LA County, Agric Comm/ Wts & Meas"**. Do not send cash.
